

Environmental

Drawing upon years of experience and government service, we have the knowledge and expertise to represent clients in environmental litigation, enforcement and compliance matters, and strategic counseling. Each matter is unique. At **Stein Mitchell Beato & Missner LLP**, we strive to understand the specific environmental challenges faced by each client to best assist them in navigating any obstacles to achieving their desired objectives.

Our lawyers have significant experience with a wide variety of environmental issues arising under

- National Environmental Policy Act (NEPA)
- Natural resources and energy law
- Clean Air Act, Clean Water Act, and applicable regulations
- Endangered Species Act and Migratory Bird Treaty Act
- Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) and Resource Conservation and Recovery Act (RCRA)
- Federal takings
- Indian law
